STEVE POOLE

SUE GRAVES

HECTOR GILCHRIST

SOIREE perform a variety of their favourite songs, with fine vocals, harmonies, acoustic guitars, harmonica and ukelele. Their mission is to enjoy themselves performing in your good company and leave you feeling happier afterwards than before! Melodic, inspiring and accessible, the songs are drawn from the best of contemporary writers, folk, jazz standards, some originals, a few pop classics, lost gems, the odd tear-jerker and even some dusted down R'n'R!

"What a stunningly refreshing night last night! I can't remember when I've enjoyed just sitting and listening quite so much - the three of you make such a wonderful sound" (George Wilson).

If you like Joni Mitchell, Joan Baez, Bob Dylan, Dougie MacLean, Beth Nielsen Chapman, Stan Rogers, Janis Ian, Randy Newman, Tom Paxton, Hoagy Carmichael, Cole Porter, Eva Cassidy, The Eagles - give us a listen!
